Re: American Public Works Association, California, Central Coast Chapter  
Project of the Year Award, McMillan Sewer Relocation Project

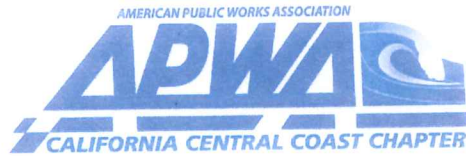

Dear Michaeljoe,

Enclosed please find a copy of the 2011 Central Coast Chapter of California's American Public Works Association Project of the Year Award for the *McMillan Sewer Relocation Project*. This project could not have been successful without the participation of your team, led by Nick Salvucci. We appreciate your work on the construction of this important project for the City and look forward to working with your firm again in the future.

Sincerely,

Jennifer Metz  
Utilities Project Manager
